

THE KINDERGARTEN STARTERS - DUBAI

KGS / C/345-20

CIRCULAR

22/12/2020

Dear Parent,

Thank you for your continuous support and feedback which has enabled us to modify our learning provisions during these challenging times and ensure that all our students make good and better progress. As we prepare to welcome back our students after the winter break, we would like to know how many of you would choose face to face and blended learning and 100% remote learning for the next three months from January to March, 2021, **subject to KHDA directives**. The timings and the timetable will continue to remain the same as of now.

Please note that the directives from KHDA will be upheld if there is any change in the mode of learning and the choices offered in the current scenario.

We request you to please take 5 minutes of your time to confirm your preference by clicking on the survey link appended below:

[Parent Survey Link](#)

It is absolutely essential that you ascertain your preferred mode of learning on or before the 31st of December so that we are able to plan the safety and seating arrangements in line with the health and safety and social distancing protocols as we reopen in January 2021.

Looking forward to your valuable responses so that together we can make the best learning provisions for all our students. Thank you for your time.

Warm regards,

Asha Alexander
