Subject: Parent Orientation for the academic year (2021-22)

Dear Parents,

As we look forward to start the new academic year (2021-22), we invite you to join the Principal's Orientation which will be followed by the Grade level Subject based Parent Orientation on 28.03.2021.

The purpose of the Grade level orientation is to take you through the resources we use for the three core subjects - English, Math and Science and share an overview of our teaching and learning approaches.

Please find appended the parent orientation schedule and kindly note that the Principal's orientation will be in Microsoft Teams platform.
