Uniform clarification

Dear Parents,

As mentioned in the Circular No. 382-21 Dated. 22/03/2021. and the Parent Q& A attached with it, the GEMS Legacy School will have a uniform that is different to that of The Kindergarten Starters. However, we do not expect parents and students to switch to the new uniform immediately. The new uniform will be available for purchase from September 2021, with all students required to wear the updated uniform by April 2022.

Please note that all parents will have a year until April 2022 to buy the new GLS uniform, which will be available only from Sep 2021. All parents will get this whole year to use the current uniform. If you have already purchased the KGS uniform, your child can continue to wear it for the entire year.

KG 2 students going to Grade 1 can wear their old KG2 uniforms if it fits them and if it does not fit them they can buy the new uniform in September and until then if they are attending school face to face they could wear coloured clothes.

Students of KG 1 promoted to KG 2 can wait until September to buy the new GLS uniform. The face-to-face students can wear their KG 1 uniform if they have one and if they fit into them. They can wear coloured clothes until the new GLS uniforms are available in September 2021.

The newly admitted KG-1 students can come in their coloured clothes until September when the new GLS uniforms will be available. If they have already purchased the KGS uniform they can continue to wear the same until March 2022 and then transition to the GLS uniform in April 2022.

For all other grades from 2 – 6, students attending face-to-face could either wear their old uniforms if they fit into them or wear coloured clothes until they buy the new GLS uniforms in September, 2021. Adequate time will be provided until March 2022 to all students to transition gradually into the new GLS uniform. All students will be expected to wear their new GLS uniforms from the academic year April 2022.

I hope this clarifies your queries regarding the new GLS uniforms.

Thanking you for your support.

Warm regards,

Asha Alexander
