CIRCULAR

25th May 2021

'Assessments 2021-22'

Dear Parents,

At the onset of the periodic assessments across Grades 1 to 6, we would like to inform you that the assessments will be divided equally between formative (50%) and summative (50%) assessments. The students will be awarded marks on the basis of the following:

Formative Assessments as follows:

1. Submission of the notebook work
2. Classroom participation
3. Problem-Based Learning Projects/ Graded-Assessment Tasks on the Sustainable Development Goals
4. Open-Door Assessments for Grades 3 – 6 (Mathematics and Science)
5. Virtual Labs Activities/ Inquiry activities
6. Consistent usage of e-resources (Mindspark/ Razplus/ Skill Angels/ I Start Arabic)

Summative Assessments as follows:

1. Periodic Tests (PT1) based on the **schedule sent on 10 May, 2021 (Circular 405-21)**

During these unprecedented times, we as a school are working towards creating an environment that does not stress our students which is why emphasis are being laid on formative assessments.

We solicit your cooperation to conduct fair, reliable and seamless assessments. To support us with the same, we request you to ensure that all students keep their cameras on while attempting the tests and make use of their mics effectively. Ensure that the students attempt assessments independently and avoid anyone from prompting responses.

We wish for your support as our students attempt their first examinations for this academic year.

Warm regards,

Asha Alexander
