### In-person Learning

---

Dear Parent,

We are happy to inform you that we shall implement 100% face-to-face (on campus) learning from 3<sup>rd</sup> October, 2021, as per the directives issued by KHDA for all Dubai schools and as published in their website and the social media.

As stipulated by KHDA, parents will have the choice of distance learning or face-to-face learning for their children only from 29<sup>th</sup> August until September 30. **From October 3<sup>rd</sup>, all teaching and learning at Dubai private schools will be face-to-face only.** After this date, students may be able to continue with distance learning only in exceptional circumstances, such as health emergencies. Students, who wish to continue with distance learning after 30<sup>th</sup> September must provide a medical certificate issued by Dubai Health Authority and these will be assessed by DHA on a case-by-case basis.

The **full KHDA protocols** regarding face-to-face learning are available on the KHDA website [here](#).

As per the KHDA guidelines students will also be able to take part in all school activities such as sports, swimming, performances, events, excursions and camps, keeping in line with the revised safety protocols.

100% of our staff and support staff are vaccinated and we are in the process of getting all of them the two doses of Pfizer vaccination to ensure additional safety for everyone.

Requesting all parents to place orders for their child's GLS uniforms without further delay so that by 1<sup>st</sup> November all students will be in their GLS uniforms.

Looking forward to a safe return to school for everyone.

Thank you.

Warm regards,

Asha Alexander
