Dear Parent,

We are absolutely delighted to inform you that GLS has been granted affiliation to the Central Board of Secondary Examination (CBSE) up to Grade 10. Please note that our CBSE Affiliation number is 6630263. The school will be required to apply for extension of affiliation for Grades 11 and 12 at a later date. We are happy to inform you that we will be commencing admissions for Grades 7, 8 and 9 from October 2021, subject to KHDA approval.

This important milestone in the history of GLS has been possible because of our dedicated and trained team of professionals and our students who have always surprised us with their amazing learning possibilities every single day. Our outstanding partnership with our supportive parents and the wider community has further enhanced the teaching and learning environment at GLS. We would like to thank every single member of the parent community immensely for the trust reposed in us. We assure you of our continued endeavor in bringing about the very best in our students.

Together what we can achieve through our robust partnership and how we can empower our students is simply limitless! Let us harness this collective efficacy and celebrate as our GLS students reach out for the stars!
