Sub: KGS to become a Through School

Dear Parents,

I am delighted to announce that The Kindergarten Starters has been granted permission by the Knowledge and Human Development Authority (KHDA) to become a through school by adding new age grades. As of the new academic year starting in April 2021, we will be opening Grade 6 with higher grades being added every year up to Grade 12, subject to annual KHDA approval.

Please find appended the fee structure that has been approved by KHDA.

GRADE	Tuition Fee (KHDA Approved)	DISCOUNTED ANNUAL FEE (Payable monthly over 10 months)			
		2021-22	2022-23	2023-24	2024-25
Grade 6	14,000.00	10,292.00	11,900.00	12,600.00	14,000.00

This is a landmark in the history of our school and it is in response to the several years of requests from parents that has influenced our decision to make The Kindergarten Starters a through K-12 school. It is critical that as a community we continue to support this decision as our students progress year-on-year and become ready for college and their future careers.

The Kindergarten Starters' best practices have been recognised across the globe and we will continue to focus on developing the whole child, embedding values and ensuring that every student reaches his or her full potential.

I look forward to all our parents and students continuing their journey with us at Kindergarten Starters next year.

I will be addressing all parents today, **Tuesday, 08-12-2020 at 7:00 pm** to share my thoughts on the addition of Grades. I would request all parents to make the time to attend this session.
