Dear Parent,

Getting back to school in September evidenced the “new normal” where we started with blended and remote learning simultaneously. Even during this shift the focus has been to ensure that all our students make good progress. We would be happy to discuss the progress made by your child through a Virtual Open House.

**The Open House has been scheduled for Grades 1 to 4 on the 31st of October, 2020 between 8:00 a.m. and 1:00 p.m.** The class teacher will share the specific time slot for the meeting with you by mail and you will receive a Teams invite from the class teacher to join the meeting as per the shared time slot.

The teachers will be sharing formative comments detailing the strengths and next steps for your child in all the core subjects. You can access your child’s report online a day before the open house. However, please note that in case of any outstanding fees (tuition fees, e-resource fees and pending transport fees), the report will be accessible only after all fee dues are cleared.

Kindly note that since class teachers will be scheduling back-to-back meetings with every parent, the time slots provided will need to be strictly adhered to. In case you wish to discuss any particular issue in detail or have any specific queries you could send an email request to the class teacher or Supervisor and we shall schedule a Teams meeting at another mutually convenient date and time.

Thanking you for your whole– hearted support, constructive feedback and sterling partnership, as a result of which we have so much to celebrate together about our children’s accomplishments.

Thank you.

Warm regards,
