### The Multilingua Messenger – Celebrating the Spirit of Service

---

Dear Parents,

We are excited to share the latest edition of *The Multilingua Messenger*, our student-led e-magazine (Grades 3-5) that showcases creative expressions across languages spoken in our school community.

This edition is themed around the **GEMSTONE value of Service (Peridot)**, encouraging students to reflect on the importance of generosity, compassion, and putting others first. Through stories, poems, and reflections, our students have beautifully captured how acts of service can make a difference.
