Family First Carnival 2025 – Talent Show, Games & Prizes

Dear Parents,

The countdown to the most awaited event of the year has officially begun! **GEMS Legacy School Family First Carnival 2025** — a vibrant celebration designed to bring our school community together for a day filled with joy, laughter, and connection. The event will feature an exciting lineup of **student performances, delicious food stalls, interactive gaming zones**, and a host of **fun-filled activities** for families to enjoy.

We encourage children and parents to register for individual or group performances in the auditorium as soon as they arrive on the day of the carnival. **Each performance should not exceed more than 3 minutes and will be staged in exchange of coupons worth AED 5 per person.** These coupons will be available at the coupon stalls in the school campus.

As part of the festivities, we warmly invite parents and students to contribute to the **Games & Giveaways Corner** by donating **one gift per child**. These gifts will be used as prizes for the carnival games and activities, spreading cheer and excitement throughout the day.

To guide your contributions, please find below the **suggested gift categories**,
