RIGHT TO READ – CYCLE 2

Dear Parents,

We are pleased to inform you that our school will be launching the **Second Cycle of the Right to Read**, designed to foster a love for reading and to strengthen students' skills through meaningful and engaging literacy experiences.

During this cycle, students will enjoy a range of **short, age-appropriate texts**, followed by a variety of **interactive activities** that promote reflection, creativity, and teamwork. This aligns with our **Leadership Gemstone – Garnet (Unity)**, which emphasises cooperation, collaboration, and working together as a community of learners.

To ensure your child is fully prepared, kindly make sure they carry the following materials on all three days of the programme:

- English notebook/ Creative Writing Book
- Writing materials
- Colouring materials
- Student journal

The programme will run for **three days**, and **class teachers will share the specific dates** with you shortly.

We look forward to an enriching experience where students not only strengthen their reading skills but also learn the value of unity through shared activities.

Warm regards,

Asha Alexander آشا ألكسندر
