

RAMADAN FRIDAY DISTANCE LEARNING – SURVEY & PARENTAL CONSENT FORM

Dear Parents,

As part of our commitment to supporting our students' wellbeing while maintaining high academic standards, and in line with guidance from the Knowledge and Human Development Authority (KHDA), we are exploring the possibility of **offering distance learning on Fridays during the holy month of Ramadan.**

Please note that students who are scheduled to sit examinations on a Friday will be required to attend school in person as usual. Exam schedules will not be affected.

Before making any decision, we would like to gather feedback from our parent community. This arrangement would only be implemented if the majority of parents support the proposal and formal approval is obtained from KHDA.

Please take a few minutes to complete the survey below by **18th Feb 2026.**

We appreciate your cooperation and partnership as we work to balance educational continuity with the spiritual observances of Ramadan, while keeping student wellbeing at the heart of our decisions.

Warm regards,
