MANDATORY VACCINATION REQUIREMENT

Dear Parents,

As part of our ongoing commitment to promoting the health and wellbeing of our students, we kindly request all parents to ensure that their children are vaccinated in accordance with the immunisation schedule recommended by the Dubai Health Authority (DHA) up to 5 years of age.

If your child is **5 years old**, he/she should have received the following vaccinations:

- **DPT and Polio** – 5 doses (including the 2nd booster)
- **MMR** – 2 doses
- **Chickenpox (Varicella)** – 2 doses
- **Hepatitis B** – 3 doses

Parents are requested to carefully review their child's vaccination card and ensure that all required immunisations are up to date. In case any doses are pending, kindly consult your child's paediatrician at the earliest.

Timely vaccination plays a vital role in protecting children from preventable diseases and potential complications. Let us work together to maintain a safe, healthy, and protected school community.

Warm regards,

Asha Alexander آشا الكسندر
