END OF YEAR BREAK FROM 16TH MARCH TO 5TH APRIL 2026

Dear Parents,

Greetings from GEMS Legacy School, Dubai.

The wellbeing of students, families and staff remains the highest priority for both GEMS Education and the UAE authorities. We understand that the current circumstances have been unusual, and the decision regarding the End of Year Break schedule has been taken following careful consideration by national education authorities.

In confirmation with KHDA, please note that online classes will continue for all students until 13th March 2026.

End of Year Break Schedule:

Students will commence End of Year Break from 16th March 2026. The break will continue until 5th April 2026, and students will resume school on 6 April 2026, marking the beginning of the new academic year.

Uniform & Book Sales

The sale of books and uniforms are scheduled to start from the last week of March. Updated dates and timings will be shared shortly via a separate circular to ensure parents have adequate time to prepare for the new academic year.

Pending Internal and External Assessments

For the pending internal final science exams for Grades 5 – 8, marks will be calculated based on an average of all the cumulative assessments the students have attempted over the year. We will let you know about the pending external TIMSS assessment for Grade 8 and the rescheduled date will be shared shortly.

The situation will continue to be reviewed by the relevant authorities, and we will keep parents informed should any official updates be issued.

We thank you for your continued understanding and partnership during this time.

Wishing all our families a safe and restful break.

Warm regards,

Asha Alexander أشا ألكسندر
