PARENT ORIENTATION - KINDERGARTEN - (2026-2027)

Dear Parents,

We are absolutely thrilled to welcome you and the little kindergarteners to GEMS Legacy School for the new academic year! This is the start of an exciting new chapter filled with learning, fun, and unforgettable experiences. We can't wait to embark on this joyful journey with you and your child!

As informed earlier, we've planned an informative **Virtual Kindergarten Orientation Program** just for you! This session will help you get to know our curriculum, school facilities, and daily routines. It's also a great opportunity to meet the wonderful teachers and staff who will be guiding your child throughout the year!

Please find below the details of the virtual orientation program scheduled for Wednesday, 1st April for kindergarten:

- **KG1 – 9:30 a.m. to 10:30 a.m.**
- **KG2 – 8:30 a.m. to 9:30 a.m.**

What to Expect:

- ✓ A warm and exciting welcome to the GLS family.
- ✓ A sneak peek into the kindergarten curriculum and what the child will be learning.
- ✓ Meet & greet the child's teachers.
- ✓ Interactive Q & A session with the class teacher

Important Reminders:

- **You receive a welcome email from your child's class teacher closer to the date, which will include details about the child's section and the online link for virtual orientation.**
- **For KG2 only: Kindly ensure that any outstanding fees are cleared at the earliest to facilitate receipt of the new section and a smooth promotion to KG2.**

We encourage both parents to attend, as this will help you feel prepared and confident for the year ahead.

We are so excited to meet you and your child virtually. We look forward to this amazing learning journey together!

Warm regards,
