**ASYNCHRONOUS LEARNING ON MONDAY, 20TH APRIL 2026**

---

Dear Parents,

As we are preparing to welcome our students back to in-person learning, all our staff will be in school on Monday to complete the mandatory in-person training, walkabouts of the safe zones and setting up of classrooms. In order to facilitate this, Monday 20<sup>th</sup> April will be asynchronous learning for all students from KG to Grade 11.

The details of the asynchronous lessons planned for Monday including instructions, resources and tasks will be uploaded on Microsoft Teams in the respective folders by **19<sup>th</sup> April, Sunday evening**. **On Monday, 20<sup>th</sup> April**, students will complete the assigned tasks independently within the timelines provided by the respective teachers. We request parents to support and encourage their children to complete the assigned asynchronous tasks on Monday.

We will resume in-person learning for **Grades KG-2 to Grade 11 on Tuesday, 21<sup>st</sup> April 2026 and for KG-1 on Wednesday, 22<sup>nd</sup> April 2026, provided we receive the required KHDA approval by Monday 20<sup>th</sup> April 2026**. We shall keep you informed of any further updates on this so that it will help you to plan your daily routines as students prepare to get back to school for in-person learning.

We are happy to inform you that transport services will resume from **Tuesday, 21<sup>st</sup> April 2026**, in line with the school's reopening schedule, subject to KHDA approval. We request you to complete the below parent survey indicating your preference for your child/ children's mode of learning for the week Tuesday, 21<sup>st</sup> April to Friday, 24<sup>th</sup> April, keeping in mind the fully operational bus services.

**Learning Mode Preference (21<sup>st</sup> April to 24<sup>th</sup> April)**

Thank you for your patience and continued support in ensuring a safe and secure return to in-person learning.

Warm regards,
