CANTEEN UPDATE & PARENT WEBINAR

Dear Parents,

We are pleased to inform you that the resumption of classes for Grades 10 and 11 has been smooth and successful, setting a positive and productive tone for the academic term ahead.

As communicated earlier, we will be welcoming students from **KG-2 to Grade 9 tomorrow**, followed by the **KG-1 students on Wednesday**. We look forward to receiving all our students back on campus.

Further to our previous communication regarding canteen services, please note that the **school canteen will remain closed until further notice**. In this regard, parents are kindly requested to ensure that their child brings a **healthy snack and meal from home each day**. This will help us maintain continuity in the school routine while ensuring students remain comfortable throughout the school day. Updates regarding the resumption of canteen services will be shared in due course.

As part of our continued commitment to student safety and a smooth return to on-site learning, we are pleased to invite you to a webinar to familiarize you with the Parent & Student Safety Protocols based on the KHDA - School Reopening Guidelines. This session will help you understand the key safety procedures and expectations to be followed at school.

Details of the session:

Date : 21st April 2026 (Tuesday)

Time: 12:00 noon – 1:00 p.m.

Facilitators: Ms. Viny Agnes and Ms. Oliva Mascarenhas (Designated Safeguarding Leads)

We strongly encourage your participation as it will help ensure clarity and consistency in supporting our students' safe return to school.

We sincerely appreciate your understanding, cooperation, and continued support in ensuring a smooth transition from distance learning to in-person learning.

Warm regards,

Asha Alexander أشا ألكسندر
