PARENT AND STUDENT SCHOOL REOPENING PROTOCOLS

Dear Parents,

We hope that many of you were able to attend the parent webinar on Parent and Student School Reopening Protocols held today from **12:00 noon to 1:00 p.m.**

Please click on the link below to seek further clarity on the protocols. These protocols are prepared in line with KHDA guidelines and are being shared with you for your future reference and deeper understanding.

We request all parents to carefully go through the document and adhere to the protocols outlined. All students have been oriented on the Student Protocols by the Designated Safeguarding Leads (DSLs) and the protocols will be reiterated by the class teachers throughout this week and as and when required, so that students internalize these safety protocols. Please note that student drills have also been conducted to familiarize them with the safe shelter zones near them.

If you have any queries regarding these protocols, you can write to the concerned supervisor.

Thank you for your continued support and cooperation as we transition to in-person learning.

Warm regards,

Asha Alexander أشا ألكسندر
