Weekend Sports Club – Grade 6 to 11 (2026-2027)

Dear Parents,

We are pleased to announce the commencement of the GLS Weekend Sports Club for middle school students. The programme aims to promote healthy sporting habits while building essential life skills such as teamwork, discipline, confidence, resilience, and physical fitness. It also helps prepare students for school teams and inter-school competitions.

At GEMS Legacy School, we place strong emphasis on co-curricular activities alongside academics to support the holistic development of our students.

In line with current stable conditions and Ministry of Education and KHDA directives, we are resuming the following activities:

- Outdoor PE lessons and use of outdoor learning spaces
- Outdoor break times as per the timetable
- Assemblies and school events on campus, including graduation ceremonies
- Co-curricular activities, including AAA and the Weekend Sports Club

Please note that in the event of an alert, all activities will be halted immediately, and students will be escorted to the nearest shelter zone. The school will keep parents informed of any updates.

PHASED RETURN WITH SAFETY MEASURES

All activities will be introduced in phases with strict safety protocols, including:

- Adherence to official guidelines
- Identification of safe zones and evacuation routes
- Immediate suspension of outdoor activities if an alert is issued

All activities are carefully planned, and external providers comply with required safety standards. We are pleased to safely resume these opportunities for our students.
