**STUDENT SAFETY AND SCHOOL OPERATIONS UPDATE**

---

Dear Parents,

We are aware of the recent alerts and understand that this may be causing concern.

At this stage, we have not received any official directive from the relevant authorities that requires a change to school operations. Therefore, the school will continue as normal.

As a precaution, we have activated our internal safety protocols. This includes keeping all students within the school building and suspending outdoor activities. Our teams are fully prepared and trained to ensure the safety and wellbeing of all students throughout the day.

We are closely monitoring updates from official authorities and will communicate promptly should there be any change in guidance.

Thank you for your continued trust and support.

Warm regards,
