**RTA PARENT SURVEY ON STUDENT DROP-OFF, PICK-UP & ROAD SAFETY**

---

Dear Parents,

As part of the Roads and Transport Authority's (RTA) ongoing efforts to enhance traffic safety and improve mobility around schools, an initiative has been launched to strengthen student drop-off and pick-up practices and reduce congestion in school zones.

In this regard, RTA has introduced a short survey on Parents' Safety Practices When Dropping Off Young Children at Schools. The survey aims to gather your valuable feedback to help improve safety measures and overall traffic management around school areas.

We kindly request all parents to participate in this survey which will take a one minute to complete.

Your participation and feedback are highly appreciated and will contribute to enhancing safety and the overall school community experience across Dubai.

Thank you for your continued cooperation.

Warm regards,

**Asha Alexander** أشا ألكسندر

**Principal** مديرة المدرسة

**Executive Leader - Climate Change** الرئيس التنفيذي - تغير المناخ
