MOE UPDATE - RESUMPTION OF ON-SITE LEARNING

Dear Parents,

Following the latest announcement from the UAE Ministry of Education, we are pleased to inform you that in person learning will resume for all students from Monday, 11 May 2026.

School operations, teaching, transportation, and regular academic activities will continue as per the normal schedule. Internal assessments and examinations will also proceed in line with the academic calendar and school guidance shared previously.

As always, the safety, wellbeing, and security of our students and staff remain our highest priority. We will continue to follow all approved safety and security protocols and remain closely aligned with the guidance of the relevant authorities.

We would like to thank you for your continued cooperation, understanding, and support over the past few days. The resilience, flexibility, and partnership shown by our parent community, students, and staff have been deeply appreciated.

We look forward to welcoming all students back on campus on Monday.

Warm regards,
