LEARNING EXPEDITION – MUSEUM OF THE FUTURE - GRADE 7

Dear Parents,

We are thrilled to announce an imminent **Learning Expedition for our Grade 7** students between **22nd and 24th June 2026 during regular school hours subject to KHDA approval**. The section-wise visit dates will be shared by the class teacher via email shortly.

We will embark on a captivating journey to the Museum of the Future. A field trip to Museum of the Future will help Grade 7 students learn about science, technology, space, robotics, and sustainability in an exciting and interactive way. Students can explore futuristic inventions, take part in hands-on activities, and develop creativity, critical thinking, and problem-solving skills. The visit also encourages teamwork and curiosity while connecting classroom lessons to real-world innovations and future careers.

Following the expedition, students will be tasked with independent reflection on their learning experiences. This expeditionary learning opportunity is a vital component of our expeditionary curriculum, and we kindly request your child's participation. The fee for this invaluable experience is **65 AED** payable online by the **16th June 2026**. Please note that the portal will close on 16th June **to assist in logistical planning** and we will not be able to accept any further students for the trip.

We encourage you to take advantage of this exciting opportunity for your child.

Warm regards,

Asha Alexander أشا ألكسندر

Principal مديرة المدرسة

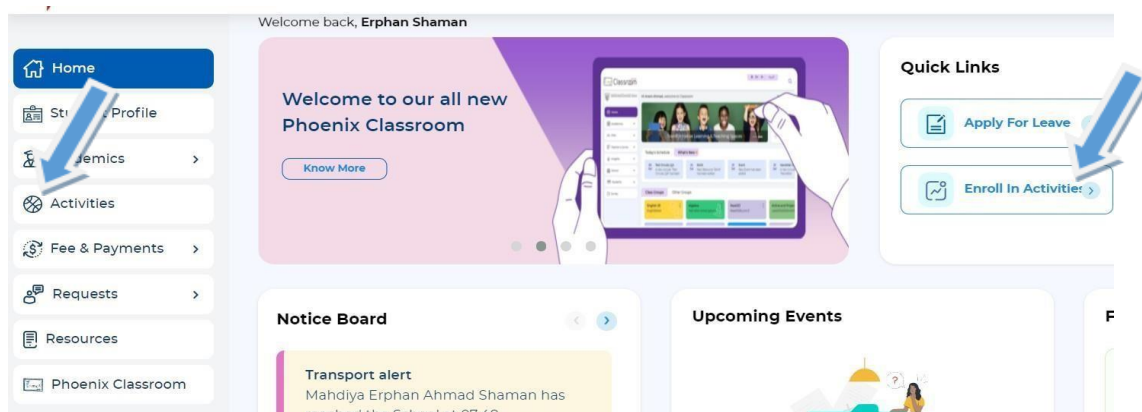

Executive Leader - Climate Change الرئيس التنفيذي - تغير المناخ

STEPS FOR THE PAYMENT PATHWAY:

How to register & pay for an activity online?

Step 1: Log in to GEMS Parent Portal with parent login credentials ([Click here to log in](#)).
