SLICES - GOLDEN TICKET HUNT

Dear Parents,

We are delighted to share that the exciting **Slices Golden Ticket Hunt** is still ongoing!

Four Golden Tickets are hidden across participating schools, and students enjoying their Slices meals have a chance to discover one of these special tickets and win an exciting prize.

How to Participate:

- Students should check their **meal box** or **underneath their buffet plate** when enjoying a Slices meal.
- If a Golden Ticket is found, it should be kept safe and reported to the school team or the Slices representative on campus.
- Eligible students will then be entered as one of the official Golden Ticket winners.

Prize Details - Each Golden Ticket winner will receive a special Slices Hamper, which will be presented at school.

Winner Announcement The four winners will be announced on 1 October 2026. Students and parents are encouraged to follow @slices.ae.official for updates and to see who discovers the Golden Tickets.
