GEMS EDUCATION – GEMS GENIUS SCHOLARSHIP PROGRAMME 2027-28

Dear Parents,

At **GEMS Education**, we witness exceptional talent and potential in young people every day, whether in academics, sports, performing arts, leadership, innovation, or other areas of achievement. Recognising and nurturing these strengths remains at the heart of our commitment to student success.

GEMS Corporate is pleased to announce that applications are now open for the **GEMS Genius Scholarship Programme**, offering merit-based scholarships covering **up to 100% of tuition fees for two academic years** at participating GEMS schools.

The previous scholarship cycle attracted more than 2,400 applications, with over 550 students shortlisted, reflecting the remarkable talent and ambition of students across our communities. This year, we once again invite applications from students who demonstrate exceptional academic achievement or outstanding potential, as well as those who excel in areas such as sports, the arts, leadership, innovation, entrepreneurship, and other fields of excellence.

Eligibility Criteria

The programme is open to both **current GEMS students and students from other schools**, and applications are welcomed from students of all nationalities.

Eligible applicants are:

- Students entering **Grade 9 or Grade 11** in the American or Indian curricula.
- Students entering **Year 10 or Year 12** in the British curriculum.
- Students seeking admission for the **2027–28 academic year**.

Application Window: 15 October 2026 – 15 December 2026.

Share the Opportunity

As part of our commitment to identifying and supporting exceptional young talent, **GEMS Corporate encourages parents to share this opportunity with family, friends, and members of the wider community who may know students with outstanding potential**. A GEMS scholarship can open doors to transformative educational opportunities and help deserving students achieve their aspirations.

Thank you for helping us recognise exceptional young people and create opportunities for them to take their talents further.

We look forward to receiving applications from our future scholars.

Warm regards,
