**E- RASE E- WASTE Campaign.**

Dear Parents,

As part of the World Environment Day Campaign (5th June, 2021) and our ongoing commitment to a sustainable future, we are organizing an E-waste collection drive from 3<sup>rd</sup> June to 13<sup>th</sup> June. The purpose of this initiative is to recycle, reuse and reprocess electrical and electronic equipment of any type, that can be discarded or regarded as obsolete. It will help protect human and environmental health from the impact of environmental pollution due to e-waste. The e-waste could include, electronic items, wires, chargers, old mobiles, old scanners, printers etc.

We request you to support us in this campaign by depositing the e-waste at the designated collection point at Gate Number 1. You could send it with your ward in case he/she is attending face to face learning or you could visit the school to deposit the e-waste between 8 a.m. – 4 p.m.

We look forward to your support in this sustainable initiative.

Warm regards,

Asha Alexander
