GLS Global Showcase at T4 World Education Week

Dear Parent,

We are extremely happy to inform you that GEMS Legacy School has been selected among the Top 100 schools in the world yet again, to present at the T4 Global Education Week. Join us for our School Celebration as we share our expertise with the world on the 4th of October, 2021 – 3 p.m. GST.

We are sharing best practices on the most relevant theme, particularly in the context of the pandemic - **Supporting Healthy Lives - including well-being, mental health and nutrition**

Our event titled – ‘**BALANCED ME, ON MY TILTED PLANET**’ links to research and evidence-based practices that promote the health and well-being of our students at our school, our twinning schools and the planet at large, laying foundations for a sustainable tomorrow.

This has been possible on account of the collective effort of all our stakeholders- our students, staff and parents, which is now being validated on a world platform. We wish to thank you for your unstinted support in our transformative journey. We will be sharing some of our best practices with a global audience and we would like you to watch the event where GLS takes the world stage.

Please click on the link below to register for the GLS global showcase event during the T4 World Education Week. Please note that we are hosting our event on 4th October (UAE time 3:00 p.m. to 4:00 p.m.). Registration is free.

Do register now for the GLS world event on 4th October and pass on the event information and registration link to all your friends, relatives and colleagues. Don't miss this proud moment which would not have been possible without you and our amazing students and staff!

Besides our school event, there is a lot that we can all learn further from schools globally who will be showcasing their best practices during this week.

Thanking the entire GLS community in advance for your support and patronage!

Warm regards,

Asha Alexander
