PAL- Plant a Legacy

Dear Parents,

As part of the International Children's Day and the 50th UAE National Day, we are happy to announce a worldwide PAL- Plant a legacy campaign. We believe that tree planting can be the most brilliant way to celebrate childhood and build a secure future for all. We want all our children and others around the world to act and support this cause.

In continuing our pledge to plant 15,000 trees each year through #PAL Plant A Legacy Project, we are requesting your support by planting a sapling by 18th November 2021.

The requirements for the tree plantation are as follows:

1. Plant a tree sapling in the earth anywhere in the world (not a potted plant)
2. You can request your friends and relatives anywhere in the world to plant a sapling to support this cause.

Take a picture of the person who planted the sapling holding a placard which says #PAL-PLANT A LEGACY and upload the picture in this

https://docs.google.com/forms/d/1kWr_MQGpZjMSGH402idVRVb2yRDWPhriRAiu7bqUrLU/edit?usp=sharing

3. Make sure someone cares for the sapling that has been planted.

As part of the PAL initiative, we have already planted 37,400 saplings (since 5th September 2019) around the world until date. We hope to achieve the target of 50,000 trees in this golden jubilee year with your support.

Thank you.

Warm regards,

Asha Alexander
