The Nature Champions Program - Grade 1 to 6

Dear Parent,

The GEMS Legacy School has always spearheaded and supported environmental initiatives pertaining to Sustainability and Climate Action. In sync with this, we are happy to associate with Emirates Nature-WWF and introduce the 'Nature Champions Program' which is a fun and educational extra-curricular activity designed for students between the ages of 7 and 12. This program encourages the students to explore the UAE's vast natural backyard, understand the issues that the environment faces and champion a better way to live in harmony with our planet.

The **Nature Champions Extra Curricular Activities (ECA)** are designed to take students through 3 stages:

1. **Academy** – students are trained about nature and the environmental issues we face today;
2. **Simulations** – students come up with solutions and imagine a better nature-friendly way to live; and
3. **Adventures** – students will explore and protect nature.

So, introduce your kids to life beyond the screen!

GO WILD with Nature Champions! Join the newest extra-curricular activity which teaches kids about nature and makes sure they have FUN along the way! Through 8 Adventures, students will discover the UAE's amazing wildlife, understand issues (like climate change) and become champions of the environment. Students will develop real life skills (like teamwork and communications) and earn a certificate after completing the mission. Virtual escape rooms, nature-based adventures, innovation challenges and a kayaking trip – Nature Champions has it all!

The Nature Champions Program is an after-school activity which will be led by our teachers, who will be trained to be 'Nature Coaches'. Some activities will also require parental involvement. The 8 nature challenges will be covered over a period of 6 weeks.

The fee for this program is AED 500+ VAT.

For further information please read the brochure attached.

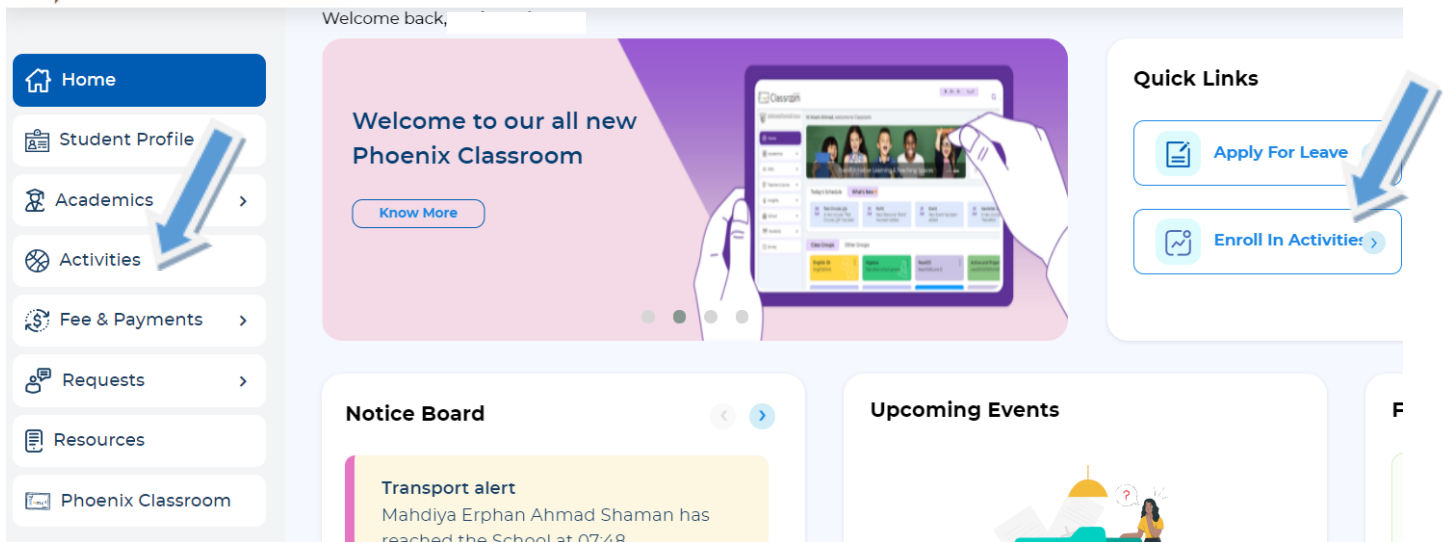

Do not miss this opportunity to bring your child closer to nature and become a 'Nature Champion'!

The steps for the payment pathway for 'Nature Champion' are as appended below.

How to register & pay for an activity online?

Step 1: Login to GEMS Parent Portal using parent login credentials

Step 2: Click **Enroll in Activities** under Quick Links or click on the **Activities** tab on the left Navigation menu

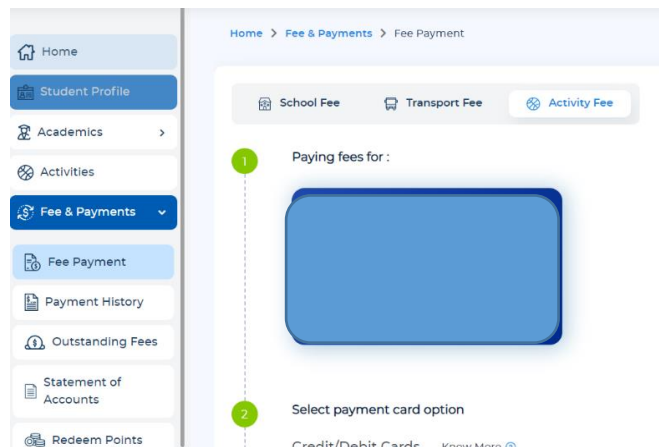

Step 3: To register your ward, select the 'Nature Champions'.

Step 4: Select 'Request to Enroll'

Step 5: Click 'Send Request'

Step 6: To make a payment, click **Fee and Payments** -> **Fee Payment** on the left menu. The Fee Payment page is displayed. Click the **Activity Fee** tab. Observe the **Net Payable** amount that is displayed. Click **Proceed To Pay**.

Last date for registration and payment is – 24th January, 2022.

Looking forward to your continued support and encouraging participation.

Warm regards,

Asha Alexander
