Change in Leadership Roles (2025-2026)

Dear Parents,

As we begin the new academic year of 2025-2026, we are pleased to inform you about the changes in a few leadership roles.

We wish to inform you that Ms. Rana Sabohi who was the Head of Kindergarten had to leave due to personal reasons. We thank her for her valuable contributions to GEMS Legacy School during her long tenure with us.

Ms. Neena Cherian has taken over as **Head of Kindergarten** with immediate effect. Ms. Neena brings with her a wealth of experience in Early Years education, with over 12 years dedicated to nurturing young learners. She has previously served as Educational Supervisor, Assistant Head of Kindergarten and Deputized Head of Lower Primary at Gems Legacy School, where she played a key role in driving innovation, academic excellence, and student well-being.

Ms. Ananya Chakraborty has taken over as **Deputized Head of Lower Primary**. Ms. Ananya comes with 18 years of enriching experience in education of which 15 years are at GEMS Legacy School across the primary phase. An outstanding teacher and leader herself, she blends innovation with a passion for lifelong learning. Apart from being the Head of Deputized Head of Lower Primary, she also leads professional development at GLS, ensuring teacher training is aligned with student needs. Her deep understanding of the school's values and strong parent partnerships continue to enrich the learning journey of every child.

The other changes in the leadership team are as outlined below:

- Ms. Saffura Javed will take charge as Educational Supervisor for Grade 4 (Sections 4K to 4T) along with Ms. Pratima Verma, Educational Supervisor, who will oversee Sections 4A to 4J.
- Ms. Nicolette D'Silva has been elevated to the position of Deputized Supervisor of Grade 3 (Sections 3M to 3X) along with Ms. Fatima Anis, Educational Supervisor, who will oversee Sections 3A to 4J

Please join me in congratulating all the above leaders in their new roles. Please be assured that all leaders and staff will work closely with the parent community to draw out the very best from our students.

Warm regards,
