Purchase of MOE Books Through Authorized Channels

Dear Parents,

The Ministry of Education (MOE) textbooks are now available for purchase. The payment link is accessible through the Parent Portal. Detailed instructions for completing your purchase on the GEMS Education website can be found in the circular.

Collection of Books:

- After purchasing the books through the app, students can collect them directly from their respective class teachers in the classroom upon presenting the purchase receipt.
- Alternatively, parents or students may purchase the books directly from the bookstore during the timings mentioned below.

Bookstore timings are as outlined below:

- **Monday to Thursday – 8 am to 3pm**
- **Friday – 8am to 12pm**

Note: Entrance for bookstore purchase – GLS Primary Gate-01

We would like to request all the parents that the MOE textbooks and related educational materials must be purchased **only** through the authorized channels — either via the official **GEMS Education website** or the **school bookstore**.

We emphasize the importance of this requirement for several key reasons:

- **Quality Assurance:** Official sources ensure that the materials provided are complete, updated, and of the highest educational standards.
- **Maintaining Educational Standards:** Use of unauthorized, pirated, or photocopied materials compromises the quality of education we strive to deliver and may negatively impact students' learning experience.

We strongly urge parents to refrain from buying textbooks from unauthorized vendors or sources offering photocopied versions, even if they are available at lower prices. These unofficial materials often contain errors, incomplete content, and outdated information, leading to confusion and academic setbacks.

Warm regards,
