LEARNING EXPEDITION – SHARJAH ISLAMIC MUSEUM - GRADE 7

Dear Parents,

We are thrilled to announce an imminent Learning Expedition for our Grade 7 students between **16th and 19th June 2025** during regular school hours. The section-wise visit dates will be shared by the class teacher via email shortly.

We will embark on a captivating journey to the Sharjah Islamic Museum. This expedition is designed to transform museums into extensions of our Social Studies classrooms, where our students will explore and appreciate the rich culture and heritage of the Islamic Culture.

Through this visit, students will witness how Islamic influence expanded across regions, impacting language, science and trade. They will encounter primary sources and historical objects that reflect the diffusion of knowledge and cultural practices from the Arabian Peninsula to Central, South, and Southeast Asia. A carefully structured workshop awaits, guiding our students as they observe displayed objects.

Following the expedition, students will be tasked with independent reflection on their learning experiences. This expeditionary learning opportunity is a vital component of our Social Studies Curriculum, and we kindly request your child's participation. The fee for this invaluable experience is **10 AED** payable online by **13th June 2025**.

Warm regards,
