**KHDA Approved Fee Increase for Academic Year 2025-26**  
**- GEMS Legacy School, Dubai**

Dear Parents,

I trust this message finds you and your families well.

I am writing to inform you about an important update regarding tuition fees for the upcoming academic year. Following the recent announcement from the education regulator (KHDA), there will be an approved increase in tuition fees across all private schools in the emirate depending on inspection performance.

In compliance with this directive and given our recent positive inspection, GEMS LEGACY SCHOOL will be implementing a fee adjustment for the 2025-26 academic year. This adjustment will apply to all grades and will come into effect from the beginning of the academic term. Since the fees for April to June 2025 have already been charged, the difference amount will be applied during June 2025 separately, as mentioned in the table below:
