Cross-Curricular Exhibition: 'Inventopia – A World Created by Young Minds'

Our annual Cross-Curricular Exhibition (CCE), '*Inventopia – A World Created by Young Minds*', celebrates the creativity, inquiry, and imagination of our learners. Through the exploration of evolving ideas and real-world challenges, students have applied critical thinking and problem-solving skills to envision meaningful future solutions. Their learning is expressed through models, writing, technology, and visual art.

Each grade has explored the following themes:

- **Grade 3:** *Kidzopia – A future city designed by us*
- **Grade 4:** *Designing Tomorrow – Professions that Shape a Better World*
- **Grade 5:** *Time Travelers – Reimagining the Past to Fix the Present*

To mark the opening of the exhibition, students from Grades 3, 4, and 5 will present vibrant cultural performances that creatively showcase the themes of their learning. This performance will serve as the official inauguration of the exhibition and a celebration of student expression and interdisciplinary learning. We warmly invite all parents to attend this one-time showcase in the Primary School Auditorium. **The inaugural cultural event will begin at 8.30a.m.**

Performances include:

- **Grade 3:** '*The Rhythm of Renewal*' – Dance & '*Eco Home, Sweet Home*' - Song
- **Grade 4:** '*Tomorrow Begins Today*' - A vibrant cultural performance where students step into the roles of professionals shaping a better future.
- **Grade 5:** '*Whispers of the Past, Songs of the Future*' – A fusion of Hindustani classical and Western music, blending traditions to create a harmonious vision of what lies ahead.

The exhibition will remain open to visitors from 8:30 a.m. to 1:30 p.m.

We look forward to your presence at this meaningful celebration of learning.

Together, we nurture learners who are curious, creative, and confident — ready to build a better tomorrow.

Warm regards,
