We look forward to welcoming the students who have opted for Face to Face learning from Sunday 5th September 2021. Kindly note that 100% of our staff and support staff are vaccinated and we are in the process of getting all of them the two doses of Pfizer vaccination to ensure additional safety for everyone. As per KHDA guidelines, the following health and safety protocols with regards to transportation will be strictly complied with.

Bus transport -

Own transport -

All students travelling by their own transport must adhere to the following:

1. Parents/guardians dropping or picking their child must wear the parent ID without fail. In case you do not have the parent ID, please contact the STS office for the same.
2. The parent/guardian will be permitted into the campus to drop and/or pick their child **only if they are vaccinated**. Hence, you are requested to get vaccinated. Kindly click on the link to upload your vaccination card.
