Queries regarding BYJUs APP providers contacting parents

Dear Parents,

We have received a number of queries regarding two platforms, BYJUs APP and White Hat, who are calling parents claiming that the school has provided their details to run a promotional campaign for some educational packages.

We would like to clarify that GEMS Legacy School has not run any promotional campaign and we do not, under any circumstances, provide our parents' personal information to third parties. We understand that this is coming at a time when parents are concerned about the recent cyber-attack, nevertheless, rest assured that these two incidents are not related.

Furthermore, we urge parents not to share the details of any other GLS family with a third party.

Thank you for your understanding and commitment.

Warm regards,

Asha Alexander
