**WORLD ENVIRONMENT DAY**

---

Dear parents,

The slogan for this year's 'World Environment Day' is "Only One Earth" with a special focus on 'Living Sustainably in Harmony with Nature'. In keeping with the theme of sustainable and harmonious existence on Planet Earth, we appeal to our parent community to join us in planting saplings on the 6<sup>th</sup> of June 2022 as part of the GLS Plant A Legacy (PAL) initiative. As a pledge to provide a healthy and breathable environment for our current and future generations, we urge our parents to enlist their extended family, friends, colleagues, and acquaintances in the UAE and all over the world, to be an integral part of PAL.

In an effort to track the plantations taking place, we would like you to kindly,

- Plant a sapling in the ground (preferably not a potted plant).
- Take a photograph of the person who planted the tree.
- Upload the photograph to the [LINK](#).

Warm regards,
