SCOPE 2022

Dear Parents,

The precursor event of **SCOPE 2022 – ‘Build the Planet’** will be hosted by the school on **22nd June 2022**. In synchronization with World Environment Day (5th June), the GEMS Legacy School invites you to come together for the precursor event to ‘SCOPE-2022’, under the theme of ‘Create an Inheritable Planet’ as we ‘Build the Planet’. The theme for World Environment Day 2022 focuses on ‘Living Sustainably in Harmony with Nature. We all need to keep our planet and ecosystem healthy to support our livelihoods, our health, and our happiness. A healthy planet for a sustainable future is no longer an option, but a fundamental necessity.

The event being a worldwide one will entail the support and assistance of staff as well as students. Keeping that in mind, please note that the **22nd of June 2022** will be a **non-instructional day** for students of **Grade 6 and 7 only**.

The event will be live-streamed on YouTube and we invite the students and you to join us.
