GREEN OLYMPIAD: Grades 4 to 7

Dear Parent,

We are glad to bring to you GREEN Olympiad conducted by TERI (The Energy and Resources Institute, New Delhi). The overall objective of this initiative is to sensitize and build capacity of students on environment, sustainability, and green skills. GREEN Olympiad enriches interdisciplinary knowledge, skills, and Eco values necessary for achieving sustainable development.

Implementation Model of GREEN Olympiad:

GREEN Olympiad examination addresses a range of topics such as water, energy, air, forest, biodiversity, climate, global warming, sustainable development, culture, and current affairs pertaining to environment and additionally theme of green skill is also covered. The paper comprises objective questions that test students' knowledge, application and analytical skills and simultaneously spreads awareness through informative questions. There is no negative marking and students can answer from the comfort of their homes as the paper is online.
