Expedition - The Sharjah Museum of Islamic Civilization

Dear parent,

Greetings from GEMS Legacy School!

As a part of our enriched curriculum, the students of Grades 6 & 7 will be going for an expeditionary learning to **The Sharjah Museum of Islamic Civilization** on **6 & 7th of September 2022, Tuesday & Wednesday** within the school hours. This expedition is planned keeping the focus on- '**Appreciating the Culture, Heritage & the Islamic Values of the UAE**'. After the trip, they would reflect on the learning from the visit and share their research. We are certain that this trip will prove to be a valuable experience for the students as museums introduce students to unknown worlds, spark their imagination and provide them with valuable learning experiences. Please note that, this is a free trip and it is mandatory for your child to participate in this expeditionary learning as it is a part of the Social Studies Curriculum.

- **Please send a water bottle, dry snacks and a fully charged device with your child on the day of the trip. They need to carry notebooks for the last two periods as per the timetable.**
- **Students need to wear their regular school uniform, masks, ID cards and a cap.**

Thank you for your continued support and cooperation as always.

Warm regards,

Asha Alexander
