CIRCULAR
PAL – Plant a Legacy

18th November 2022

Dear parent,

As part of the 51st UAE National Day celebration, we are happy to announce a worldwide PAL- Plant a legacy campaign. We believe that tree planting can be the most brilliant way to celebrate childhood and build a secure future for all. We want all our children and others around the world to act and support this cause.

In continuing our pledge to plant 15,000 trees each year through #PAL Plant A Legacy Project, we are requesting your support by planting a sapling from 18th November to 28th November 2022.

The requirements for the tree plantation are as follows:

Step 1- Plant one tree sapling in the earth anywhere in the world (not a potted plant).

Step 2- Take a selfie with the sapling you have just planted and send it to your child's class teacher.

Step 3- Make sure someone cares for the plant that has been planted.

Together, let us take small steps towards greening our only planet.

Thank you.

Warm regards,

Asha Alexander
