CIRCULAR
KG Reggio Inspired Exhibition

22nd February 2023

Dear parents,

With the focus on learners' creation, we are happy to present to you another thematic exhibition 'H.O.P.E' offering the exemplary work done by our kindergarteners.

Our little ones have explored different Sustainable Development Goals (SDGs) using various thinking routines that have assisted them in making their thinking visible. Students have built connections to real-life problems, looked at the challenges, predicted the consequences, shared some unique ideas, creations, and solutions to show us what we must do to help out possibly everyone, everywhere!

This KG Reggio-Inspired Exhibition is a creative process of their discovery and will make all of us reflect on our actions.

Kindly inform the class teacher and the bus driver if you wish to pick up the child during dispersal.

Please follow the date and time given below:
