CIRCULAR
Vaccination requirements

01st March 2023

Dear Parents,

As recommended by the Dubai Health authority's updated Immunization program, the following vaccines should be administered to your ward at the age of 5 years. This is in view of your child's protection and is of prime importance.

- 1) DTaP – IPV or DTaP - OPV 2nd Booster Dose
 - DTaP - (Diphtheria acellular Pertussis, Tetanus)
 - IPV- (Injectable polio)
 - OPV (Oral Polio)
- 2) Varicella 2 Doses
- 3) MMR 2 Doses

If the above vaccines are not administered until now and if you wish to vaccinate your child at your own convenience, kindly visit your nearest Primary health care Centre or your family physician /pediatrician for the administration of these vaccines.

It's mandatory to submit the original childhood vaccination card of your ward to the school clinic during Grade 1 Parent Orientation, the details of which will be shared with you shortly.

If you have any queries, please contact our school no. [04 282 4090](tel:042824090) on the **Clinic extension no. - (Boys clinic 122 & Girls Clinic 124).**
