CIRCULAR

10th February 2023

Recycling campaign

Dear Parent,

As we conclude this academic year, we are pleased to announce a unique recycling campaign from **13th March to 17th March 2023** to recycle your child's used books and old uniforms.

We have partnered with 'Green Land Recycling LLC' to recycle old uniforms your children no longer use or have outgrown. Please make sure the uniforms are washed.

We will also be accepting old used books that will be handed over for recycling to 'Dulscos', a leading waste management and recycling company in the UAE.

You can drop off the books and uniforms from **13th March to 17th March** at **Gate 1 & 3** at the **Primary Campus** and **Gate 7** at the **Secondary Campus**. The same can be dropped off at the school even if your child is not attending school.

By recycling these uniforms & books, we are doing our part for the environment. Not only will this help reduce waste in landfills, but it also sets an example for our children about how important it is to take care of our planet.

Thank you for your support in helping us reach our goal of a greener and more sustainable future. Let's join hands in promoting an environment-friendly culture in the community.

Warm regards,

Asha Alexander
