Sports day trials - 1

Dear Parents,

Sports and games are an integral part of our curriculum. Sports Day is an important event that provides an opportunity for our students to showcase their physical and mental prowess while promoting teamwork, leadership, and sportsmanship. Our Annual sports day has been scheduled in November 2023.

We are happy to inform you that the **first trials for our Annual Sports Day event will be held from 24th to 28th April, 2023**. We urge you to encourage your children to participate in the trials and make the most of this opportunity. Your support and involvement will go a long way in boosting their interest in sports, keeping them physically and mentally fit, and promoting a healthy and active lifestyle.

We look forward to your continued support and cooperation.

Warm regards,
