GLS Juke Box- 2023

Dear parents,

Music is a universal language that triggers emotional responses and kickstarts creativity like no other. It is indeed a fundamental pillar of arts education.

World Music Day or La Fête de la Musique is a celebration of all kinds of music and how important in people's lives and is celebrated annually on the 21st of June. To join in the worldwide singing festivities, the Middle School of GEMS Legacy School would like to plan a music-based competition called **GLS-JUKEBOX 2023** for **Grades 6 to 8**. Students can showcase their singing prowess as well as have an opportunity to display their skill at playing an instrument.

The competition to be conducted on the **16th of June, Friday 2023** will have three categories:

- 1) Western Singing (Solo)
- 2) Hindustani Singing (Solo)
- 3) Instrumental Solo (Please carry your instrument on the day of the audition and final competition)

Students are encouraged to participate in a category of their choice and they will compete with others in the same category within their grade. A preliminary round will be held on **12th June 2023**.

Please find the link below to register, as the registrations will close by the **9th of June, 2023**. In case you have any queries, please feel free to write to Ms Shyamoli Sarkar.
