KG Reggio Inspired Exhibition

Dear Parents,

We are thrilled to announce our upcoming KG Reggio inspired exhibition, titled 'Seed to Slice', at GEMS Legacy School. The exhibition is centered around Sustainable Developmental Goal #3- Good Health and Well-Being, with a focus on nurturing a sustainable lifestyle.

The Reggio Emilia way to early childhood education is based on honoring the hundred languages, which are the different kinds of expression that children use to interact with their environment. The students' inquiry was aided by the provocations and situational experiences provided to them, as well as the outcomes of their exploration, which will be displayed in the exhibition.

The exhibition details are as given below.

Date	Grade	Venue	Timings
14 th June, 2023	KG1 A- Bb	Auditorium, Primary Campus	8:15 a.m. – 12:30 p.m.
15 th June, 2023	KG2 A- Y	Auditorium, Primary Campus	8:15 a.m. – 12:30 p.m.

We encourage all parents to come and see our kindergarten students' artistic creations and expressions. The exhibition represents their investigation and engagement with the current issues and their solutions. We hope to see you there and share this great experience with you.

Thank you for your continuous support.

Warm regards,

Asha Alexander
