**Reggio-inspired exhibition - Grade 1 & 2**

---

Dear Parent,

We are happy to let you know that the **Reggio-inspired exhibition** for **Grades 1 and 2** has been scheduled on the **19<sup>th</sup> and 20<sup>th</sup> of June 2023**. Regular classes will be conducted on both days.

We are thrilled to present to you the exemplary work done by our students of Grades 1 and 2 as part of their thematic exhibition '**Prospera: Igniting Economies, Shaping Futures**'. It is an artistic creation and expression of our student's exploration and engagement with a focus on sustainability and cultural development to build and support developing economies of different countries.

The Reggio Emilia inspired inquiry-based learning approach focuses on celebrating a hundred languages of students to make their thinking visible. The hundred languages of students refer to the many forms of expressions students use to interact with their self, the community, and the world. The focus is on the student's thought process and not on the product. We encourage you to view the learner-focused- creations of our students displayed in the auditorium and listen to our students explaining their thinking and learning journey.

As the Reggio exhibition is an integration of all forms of expression, you will get an opportunity to view the cultural performance by the students of Grade 2 spreading awareness about the culture of Sri Lanka and Malawi.

**Date:**

Grade 1 – 19<sup>th</sup> June

Grade 2 – 20<sup>th</sup> June

**Venue:** Auditorium (GLS Primary Campus)
