Open House and Cross Curricular Exhibition Grades 3- 5

Dear Parents,

We have completed the first quarter of this academic year. We have been rigorously tracking the impact of learning on student outcomes and their well-being. We are happy to let you know that the Open House and the Cross curricular exhibition for the students of Grades 3-5 has been scheduled on 22nd June 2023.

The following are the details for each of these events.

Open House:

The teachers will be sharing formative comments detailing the strengths and next steps for your child in all the core subjects. You can access your child's report online on 21st June 2023. However, please note that in case of any outstanding fees (tuition fees, e-resource fees and pending transport fees), the report will be accessible only after all fee dues are cleared.

The class teacher will share the individual meeting time slots closer to the date of the event. Kindly note that since class teachers will be scheduling back-to-back meetings with every parent, the time slots provided will need to be strictly adhered to. In case you wish to discuss any particular issue in detail or have any specific queries you could send an email request to the class teacher or supervisor and we shall schedule a Zoom meeting at another mutually convenient date and time.

Please note that the students of Grades 3-5 will not have regular class on 22nd June, however, they can be a part of the interactive discussion with the teacher.

Date: 22nd June 2023

Venue: Respective classroom

Timings:

Grade	Section	Time Slots
Grade 3	A to K	08:15a.m. to 10.30a.m.
Grade 3	L to V	10:00a.m. to 12:30p.m.
Grade 4	A to T	10:00a.m. to 12:30p.m.
Grade 5	A to P	08:15a.m. to 10.30a.m.

Cross Curricular Exhibition (CCE):

We are happy to present to you the exemplary work done by our students of Grade 3-5 as part of their thematic exhibition based on building and supporting developing economies '**Prospera – Igniting economies, Shaping futures**'. It is an artistic creation and expression of our student's exploration and engagement with diverse sustainable developmental goals.

The CCE founded on the problem-based learning approach focuses on finding innovative solutions for some of the most pressing local and global issues using the Design Thinking Process. The students are introduced to different problem scenarios through provocations and are encouraged to **Empathize** with the presented scenario, **Define** the problem, **ideate** solutions, **Create** and **Test** their **Prototypes**.

As the CCE exhibition is an integration of all forms of expression, you will get an opportunity to witness performances by students of Grade 4 and 5 at the given time slots.

Grade	Time slot	Event
5	8:30a.m. - 9:00a.m.	Skit – Aiding Pakistan’s economy – Resurgence through tourism
5	9:30a.m. – 10:00a.m.	Monologue – How would you feel if you had to wake up each day and wonder if you will have enough clean water to drink?
4	10:30a.m. – 11:00a.m.	Song – A million dreams

We encourage you to view the exhibits displayed and the student performances in the auditorium while you are in school to attend the open house.

Thanking you for your wholehearted support, constructive feedback and sterling partnership in your child’s learning journey, as a result of which we have so much to celebrate together about our children’s accomplishments.

Warm regards,

Asha Alexander
