2nd November 2023

Learning Expedition - Al Shindagha Museum- Grade 6

Dear Parents,

We are thrilled to announce an imminent Learning Expedition for our Grade 6 students on the 6th, 8th & 9th of November, 2023 during regular school hours. The section-wise visit dates will be shared by the class teacher via email shortly. We will embark on a captivating journey to the Al Shindagha Museum in Dubai.

This expedition is designed to transform museums into extensions of our Social Studies classrooms, where our students will explore and appreciate the rich culture and heritage of the UAE. A carefully structured workshop awaits, guiding our students as they observe selected objects, referred to as focus points. These objects will serve as connectors to the vibrant tapestry of the UAE's history.

Following the expedition, students will be tasked with independent reflection on their learning experiences. This expeditionary learning opportunity is a vital component of our Social Studies Curriculum, and we kindly request your child's participation. The fee for this invaluable experience is **AED 30**, payable online by the **7th of November 2023** (The sections visiting on the 6th of November must complete the payment on or before the 5th of November 2023). Please [click here](#) for the steps to register and pay for the trip.

We look forward to witnessing the transformative impact of this expedition on our students' understanding of their community, heritage, and the broader world. Thank you for your continued support in enriching their educational journey.

Warm regards,

Asha Alexander
